

Assistant Aquatic Specialist

JOIN AN EXCITING TEAM AT A FUN, COOL PLACE IN AN OUTDOOR ENVIRONMENT!

This is a great opportunity as a unique seasonal position to become a State Certified Commercial Applicator and trained Team Member. Position would include participating in the strategic application of aquatic pesticides to waterbodies in Northern Michigan to control nuisance aquatic plant and algae growth. Other duties may include product delivery to job site, assisting in aquatic surveys, water sampling, and maintenance of equipment. Long hours and hard work is the key to success in life and this is no exception! Experience is not necessary, but we want more than someone just looking for a paycheck!

As a prospective Team Member, If you:

- Have or are currently seeking a college degree (preferred but not mandatory)
- Can be trained to learn and follow ~~OUR~~ process, ~~Our~~ way+
- Are willing to work long seasonal hours outdoors and lift at least 50 lbs. frequently
- Possess basic computer skills
- Are competitive and desire advancement through self-improvement
- Can swim and have a minimal fear of working in watercrafts on the water
- Can work with others as a Team, be honest, and accept responsibility for yourself or your Team's actions or inactions
- Can pass State Certification exams prior to becoming an Application Team Member
- Must either possess or will acquire a Michigan Chauffeur Drivers License and then pass company DOT Certified Driver testing
- Can pass relevant background check(s) prior to becoming a Team Member
- Take pride in keeping CLEAN and WELL maintained equipment
- Are a problem solver having some basic mechanical skill
- Will consistently go ~~above~~ and beyond+as a Team Member
- Can communicate effectively and respectfully one-on-one with customers
- Have pride in how you look, dress, and feel about yourself as a Team Member

We may want to include you as one of the best on our Team! If these qualities don't apply to you, please do not fill out our company application.

Once a Team Member, we provide the following:

- \$8.00 to \$12.00/hr, with time and a half over 40 hrs./week
- Seasonal holiday pay . Feel appreciated!
- Most weekends off - Family time you deserve!
- On the job intensive technical training - Earn while you learn!
- Advancement Opportunities . Prove you want it - Actions always speak louder than words!
