PondClearTM
BENEFICIAL BACTERIA *Cleans & Clears Water.*

SAFE FOR

Recreational Ponds,
Horses, Livestock, Birds,
Pets, Fish, Wildlife
and the Environment.

Treats 1/4 Acre Pond for 1 Month

Net Contents: 1 Gallon • 3.78 L

Why is PondClear™ so important for my pond's health?

Water clarity problems are caused by rotting vegetation, leaves, twigs and fish waste that have accumulated in your pond. PondClear™ liquid formula is a special blend of highly concentrated beneficial bacteria designed to promote a clean and healthy ecosystem. PondClear™ works by consuming suspended organics and converting them into an odorless gas that safely escapes unnoticed out of the water column. In just a few weeks after your first application, you will begin to see a noticeable difference in water clarity.

PC PondClear™ Natural Beneficial Bacteria

HOW TO APPLY: Shake well before use. Apply directly out of the container. PondClear™ works best when poured in several spots along the shoreline.

WHEN TO APPLY: Apply every two weeks when water temperatures are above 50° F. Wait three days after an algaecide and/or herbicide treatment to apply PondClear™.

QUICK DOSE CHART

Pond Size (surface acres)	Dosage Rate (every 2 weeks*)
Up to 1/4 acre	1/2 gallon
Up to 1/2 acre	1 gallon
Up to 3/4 acre	1.5 gallons
Up to 1 acre*	2 gallons

*For ponds larger than 1 surface acre, use 2 gallons per surface acre every 2-4 weeks.

WATER USE RESTRICTIONS:

PondClear™ may be applied to lakes and ponds used for irrigation and aquaculture. Water treated with PondClear™ may be used for recreation, fishing and other activities immediately after treatment.

Safe for recreational ponds, horses, livestock, birds, pets, fish, wildlife and the environment.

Do not apply to water that will be used for human consumption.

STORAGE AND HANDLING:

Keep product in original container and closed when not in use. Store in a cool, dry place. Do not allow to freeze. Wear rubber gloves when handling. Avoid contact with skin, eyes and clothing. Wash with soap and water after use. If ingested in large amounts, induce vomiting. For small cleanups and surface stains, use a diluted bleach solution. PondClear™ has a 2-Year shelf life.

ATTENTION:

Failure to use as directed, or sudden changes in water conditions not consistent with label, may result in the loss or injury of aquatic life. Airmax® Ecosystems, Inc. is not responsible for any loss of aquatic life. This product is non-genetically altered and non-pathogenic. The microorganisms used to develop this product can be found naturally in soil and water.
